For Nikon
Part No: 1000 790.1
EAN: 5099113107909

KitZone Digital
vvCamera World

Best Camera
Accessory

- Full wireless TTL with most TTL flash guns
- Full Flash Exposure Compensation compatibility
- Reliable & dependable triggering of the flash with a range of over 200m
- Digital Channel Matching provides reliable TTL connections & eliminates risk of interference
- For Canon models only, Switch between Normal, High Speed Sync and Second Curtain Sync
- For Nikon DSLR's, HSS (high shutter speed) is always set as default DSLRs, there is no need for control of HSS using the Tuff TTL
- Reliable FSK 2.4GHz frequency available worldwide
- Mini USB allows optional external power supply or software upgrade
- Tripod socket on base of the receiver
- Powered by two AA Batteries
- Full integration with hähnel Viper

QR Code Technology

A QR Code on each product pack, directs the user to LIVE, online and up to date compatibility information for each brand.

TUFF TTL
